

Summer Borrowing at the Pine Bush Elementary School Library Media Center

It's time to borrow books from the library for summer reading fun! Between **June 10th-21st**, your child will be able to borrow up to 10 library books to be returned to school by September 9th. **Please note: All library books borrowed in this school year must be returned in order to participate.** Fifth graders may return summer books *either* to the Pine Bush Library or to the Farnsworth Learning Center in the Fall.

Parents must fill out the permission slip below in order for students to borrow for the summer. Have your child bring the slip to the school library between June 10th -21st to select books.

Please talk with your child about choosing a balance of fiction and nonfiction books to read. Our library home page has links to many resources: the GSCD 2013 Summer Reading List, NoveList K-8, TumbleBook Library (online picture and audio books) and access to free eBooks from BOCES Overdrive. Go to the Pine Bush Elementary homepage at <http://www.guilderlandschools.org/pinebush> and click the link for **Library** on the left. A bookmark will come home with username and password information for some of the links listed above.

Have a great summer and don't forget to visit your public library, too! They have a great program called, "Dream Big...READ!"

(Please complete this form and have your child bring it to the library to check out books.)

I give _____ permission to
(student's name)
borrow _____ books for summer reading.
(up to 10 books)

I will see that the books are returned to the library by
September 9, 2013 or during the first week of school.

_____ (parent/guardian's signature)
Child's teacher: _____
