Guilderland census: New children in district

Do you have preschool children living in your household? Do you have school-aged children not enrolled in the Guilderland Central School District? If you answered yes to either of these questions...we need your help!

The Guilderland preschool and non-enrolled student census helps us to accurately project future class sizes, arrange future transportation routes, and allocate resources to our neighborhood schools.

Please complete the questionnaire below and mail it back to the district office as soon as conveniently possible, so that we may update our school records. No postage is necessary. If you have any questions regarding completing the form, please call Census Director Kim TenEyck at 456-6200, ext. 3123, Monday through Friday, 7:30 a.m. to 3:30 p.m.

Thank you, in advance, for your cooperation and assistance.
