**TOTAL HOURS: ______________**

**Submit hours by May 1 of senior year for Community Service Recognition (see reverse)**

5/12/2010
The Community Service program recognizes student commitment to their school and their community. Students must earn a **minimum of 200 hours** of community service to be eligible for this award. Students may begin accumulating service hours from the summer before they enter high school until May 1 of their senior year. *Record of Community Service* forms may be submitted as you complete activities (*complete with verifying signature*) to the Counseling Center, **with final forms submitted by May 1 of senior year.**

*Record of Community Service* form is on the reverse of this sheet. It is recommended that you submit your record sheet to the Counseling Center as you complete activities. **Community Service hours may also be used for Key Club. Community service hours for National Honor Society must be approved by the advisors of NHS.** It is important that you inquire with the specific advisor for her/his specific deadline and that you verify an activity with one of these advisors prior to performing a service *not* already on this list.

### COMMUNITY SERVICE RESOURCE LIST
