On Saturday, June 26, 475 Guilderland High School students walked across the stage of the SEFCU Arena at the University at Albany to receive their diplomas and begin the next chapter of their lives beyond the halls of GHS.

Graduation is a time to celebrate success, and the Class of 2010 has much to be proud of this year. Whether in the classroom, on a stage, or across an athletic field, our students have all accomplished great things throughout their time at GCSD.

As they move forward, these graduates can be confident that they will be entering into the world—whether it be at college, in the workplace or in the military—as educated, prepared young adults.

This special edition of the district newsletter highlights those students in grades kindergarten through 12, as well as district faculty and staff members, who have been recognized throughout the past school year for their exemplary efforts.

Congratulations to everyone honored in this issue, and best wishes to the Class of 2010 as they enter into a bright and exciting future!
Awards and Recognitions

The following awards and recognitions are just a sample of the many honors received by Guilderland students throughout the 2009-10 school year. Congratulations to you all on your exciting accomplishments!

ENGLISH LANGUAGE ARTS

▪ Guilderland High School senior Katherine Keegan received the National Council of Teachers of English Achievement Award in writing. She was one of 544 students nationally to be recognized with this honor.

▪ Guilderland High School's student-run newspaper, The Journal, received twelve awards from the Empire State School Press Association (ESSPA). The contest was judged by professors from Syracuse University's Newhouse School of Communications. The awards included five Gold awards, the highest honor given out by ESSPA, in the following categories: highest overall achievement; Front Page Design (Portfolio); co-Editor-in-Chief Chris Levy (09) for layout and typography portfolio; Briana Del Bene (09) for best sports photograph and overall photographer portfolio. The Journal was among the most honored school newspapers in the state.

SCIENCE

▪ Guilderland High School senior Cassie Lin was selected as one of only 300 national semi-finalists for the Intel Science Talent Search based on her research project entitled Resveratrol Induces COX-2-dependent Apoptosis in Human Ovarian Cancer Cells. The Intel Science Talent Search (Intel STS) is America's most prestigious pre-college science competition. Alumni of STS have made extraordinary contributions to science and hold more than 100 of the world's most coveted science and math honors, including seven Nobel Prizes and three National Medals of Science.

MATH

▪ For the first time in the 18+ years that Farnsworth Middle School has participated in the sixth-grade Math Olympiad, the school had a student who achieved a perfect score. Congratulations to Will Wang for his outstanding achievement. He received the Dr. George Lenchner medallion from the national headquarters. Last year only 34 students out of the 150,000 who participated received this award.

ENRICHMENT

▪ GCSD students took home top prizes in several categories from the annual National History Day Contest:
  ▪ Sean Quinn, gr. 6 (junior documentary);
  ▪ Cody Ingraham, gr. 8 (junior performance);
  ▪ Elena Musteata, gr. 7; and (junior website)
  ▪ Zubin Mukerjee, gr. 9 (research paper).

WORLD LANGUAGES AND CULTURES

▪ Eighth grade Spanish student Nicole Weijola won the Student Recognition Award for outstanding achievement in a language other than English, presented by the Capital Organization of Language Teachers.

ATHLETICS

▪ The following GCSD sports teams received Scholar/Athlete Team Awards throughout the 2009-10 school year:
  ▪ Boys/Girls Cross Country
  ▪ Baseball
  ▪ Girls Basketball
  ▪ Boys/Girls Cross Country
  ▪ Field Hockey
  ▪ Football
  ▪ Golf
• Gymnastics
• Ice Hockey
• Boy’s Swimming
• Boys/Girls Lacrosse
• Softball
• Girls Swimming & Diving

This recognition is given to teams whose members have a composite average of 90% or above.

COMMUNITY

❑ Guilderland High School students Laura Anderson, Yves Nazon II, Lexxi Martini, Danielle Martin, Haejin Hwang, Simone Goldsager—along with social studies teacher Patricia Mackey—were honored with the 2010 YMCA Community Service Award.

❑ Guilderland Elementary School students Max Baronit, Zoe Haggard, Kyle Katlan, Dhruv Khurana, Skylar Marotta, Tania Thomas and Mike Wine joined together to form a Go Green Team Innovation Group. Throughout the year, team members organized a number of activities to promote more recycling and energy conservation within the building. To name just a few, students created a logo and slogan, “Stop, Think and Go Green!” which can be seen throughout the school; formed a Go Green Team in each classroom to help their classmates to remember to recycle; and created an Earth Day showcase with helpful “Go Green” reminders.

❑ Lynnwood Elementary School received the New York State Association of Supervision and Curriculum Development’s Award for Educating the Whole Child in the 21st Century. Lynnwood is one of only four schools throughout the state to receive the award for supporting the development of children who are healthy, safe, engaged, supported and challenged. The school became eligible for the award after completing an extensive written application and undergoing an on-site review by a team of professional educators who observed classrooms and interviewed students, parents and teachers.

❑ On June 11, GCSD parents, students and staff, and community members joined together for the fifth-annual “Laps of Love” walk-a-thon at the high school track, raising $1,400 for the Dale Westcott Memorial Scholarship Fund. Dr. Westcott, a good friend and longtime leader as a teacher and administrator in the Guilderland School District, died from brain cancer in the fall of 2005. In the past five years, nearly $12,600 has been raised from Laps of Love.

*The above list of awards was compiled based on students and programs recognized at Board of Education meetings throughout the school year.*
