

Farnsworth Middle School is organizing a food drive for our middle school Backpack program . Our goal is to collect food to support our families in the district with students in grades 6-8 who take part in our backpack program. Our program provides families with additional food to assist them with establishing food security on the weekends and holidays when school is not in session.

Drive begins MONDAY NOVEMBER 15th
& ends TUESDAY NOVEMBER 23rd!!!
11/15-11/23

Each grade level has been asked to bring specific *non-perishable* items to complete meals. Please be aware that these items will be distributed amongst multiple bags, therefore, individual servings or packages are preferred.

6th grade= pasta and noodles, pasta sauce, mac and cheese, ramen noodles, spaghetti, muffin/baked good mixes

7th grade= granola bars, cereal (full sized and individual boxes), oatmeal, peanut butter, jelly, apple sauce, pancake mix

8th grade= canned fruit, canned vegetables, rice, tuna, shelf-stable milk and juice boxes, pre-made microwavable meals

Other items:snacks, fun things kids like to eat

Students can bring donated items to their house office, reception area or cafeteria. Food can also be dropped off at reception or sent to the building.

You can also check out this amazon wish-list where items will be shipped right to the school:

[AMAZON WISH LIST](#)

We are hopeful that Farnsworth's giving spirit will continue to support our local community & families in need!

If you have any questions, please feel free to reach out to Chelsea Rader (raderc@guilderlandschools.net)
