

# Smiles for Ukrainian Kids

Hello Westmere families,

Fifth grader Alyssa Jantzen got this idea while watching “Nightly News for Kids” during Social Studies homework. Alyssa was feeling really bad for all those kids in Ukraine, like in the picture above. Alyssa decided to make a toy drive for the Ukrainian kids, so Ukrainian kids will feel comfort during hard times. We are asking the students at Westmere to bring smiles to the faces of these children by donating new items listed below starting 3/8-3/22. Boxes for donations will be at Westmere and given to a local Ukrainian organization to send to those in need.
