

MOHAWK 7 2023-2024

Dear Parents,

Summer 2023

We are looking forward to working with your child this year. As part of the Mohawk team, we are hoping that your child will find this school year successful, challenging, and enjoyable. As the end of August approaches and those "Back to School" ads appear, we would like to suggest the following items listed below.

HOMEROOM

1. Tissue Box (1)

ALL CORE CLASSES

1. Earbuds/Headphones
 - These will need to be replaced during the year if they are lost or broken
 - Will be used for other classes as well, like Technology, Music, FACS and World Language
 - Your student needs to EASILY have these EVERY DAY for MOST classes.**
 - We suggest no airpods or bluetooth, but getting a regular plug in pair to keep in a ziplock bag that they can take out for **EACH** class.

2. Blue or Black Pens
3. #2 Pencils
4. Colored Pencils (1 pack)
5. Highlighters (1 pack)
6. Homework Folder

MATH

1. 3-ring binder, 2 inch
2. Tab dividers (pack of 5)
3. TI-30X IIS Scientific Calculator

Sincerely,

Jamie Mullins (Social Studies)

Joseph Winchester (Science)

TBD(Math)

Heather Tagliaferro (Language Arts)

Lauren Fox (LA/SS Co-Teacher)

Dan Rausch (Math/Sci Co-Teacher)
