

Summer 2023

Dear 6C Families,

Welcome to FMS and **Mohawk House Team 6C** for the 2023-2024 school year! The Team Teachers are Cynthia Oliver (Language Arts and Social Studies), Liz Mayo (Math and Science), and Julie Bruno (Consultant Teacher). We also have a teaching assistant, Laurie Belfance, on our team. We are looking forward to meeting you, learning with you, and making your 6th grade year a great one! 6th Grade is such a wonderful year, and we know that you will love all the opportunities that FMS has to offer!

We have a list of supplies (below) that we would like you to have in school. **Please look at the list carefully as items are color coordinated to make them easier to find.** Organization is an important step towards success in middle school.

6th Graders, we want to hear from you! Complete this [form](#) to tell us about yourself.

Enjoy these last few days of summer. ***Please bring all of your supplies to school by Friday, September, 8th.*** You can bring in some supplies to school on Thursday and some Friday to make backpacks easier to carry!

Thank you in advance for completing our form! We are looking forward to meeting you in September!

Sincerely,

Mrs. Mayo (Math/Science Teacher)

Mrs. Oliver (Language Arts/Social Studies)

Mrs. Bruno (Consultant Teacher)

Mrs. Belfance (Team Teaching Assistant)
