

Dear Tawasentha 7 Families,

Welcome to Tawasentha 7C! We are looking forward to meeting all of you and having a wonderful year! So that your student is prepared for the first day of school, we have compiled a list of materials your student will need. If you need assistance, please reach out to the House Office or to one of the team teachers listed below.

Please make sure that all of your student's supplies, such as folders, highlighters, etc., are clearly labeled with their name. If your student has any of the supplies listed left-over from previous years, those are fine to use. Students will need two combination locks. PLEASE have students practice opening and have the combination memorized BEFORE the start of school.

All returning 7th grade students were provided a Chromebook at the start of the previous school year. These students are expected to bring back the Chromebook they were assigned last fall, which was brought home over the summer. Please make sure it is **charged!**

Please mark your calendars for our Open House, which is scheduled for Tuesday, October 1st. We look forward to meeting you then.

Sincerely -
