

SUMMER STEM CAMP

Schoharie Mohawk Initiative for Science and Technology Presents

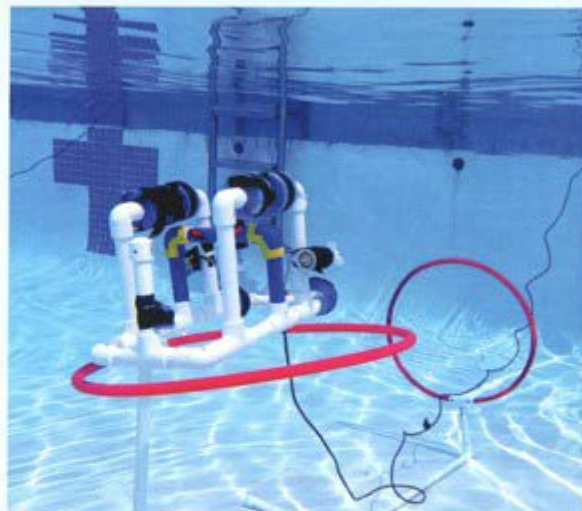

Monday, August 18 through Friday, August 22 • 8 am – 4 pm

Dive Into the Future with SeaPerch!

The 2025 SeaPerch challenge is focused on coral restoration — coral reefs protect coasts, provide fish habitats and boost tourism, but they're under threat from worsening environmental conditions.

Students will explore naval architecture, marine engineering, and basic science concepts while learning tool safety, problem-solving and teamwork.

ELIGIBLE PARTICIPANTS:

Students entering grades 7 – 9

REGISTRATION:

Sign up to learn how to make a difference at
<https://forms.office.com/g/vtM2E2krnV>

Space is limited —
first come, first served!

On Friday, Aug. 22, participants will be divided into teams to compete in a challenge at Mine Kill State Park Pool at 2 pm.

FREE ADMISSION & PARKING • OPEN YEAR-ROUND
