

Happy Summer! We hope you and your family are enjoying the early days of this school break. Below is the FMS crossteam supply list for your student. We want you to be able to take advantage of any school supplies sales that may be happening currently, with items hopefully in stock. Please ensure that all supplies are clearly marked with your student's name and the class that the supplies are for.

In regards to earbuds/headphones on the list, please ensure these are "wired" so that students can plug them into their chromebooks in class. Earbuds/headphones that use "wi-fi" are NOT usable or allowed in classes.

This list has been gathered from all crossteam subject areas; if you have any questions, please let us know. We will send those questions to the appropriate department and ask them to reply to you as soon as possible.
