

The adopted 2026-27 budget includes a **\$200,000** transfer to the capital fund for the following capital work:

- **\$180,000** to install charging infrastructure to support the school district's seven electric school buses
  - Located behind the maintenance department
  - Eligible for NYSERDA New York School Bus Incentive Program (NYSBIP) funds that will cover most of this cost
- **\$20,000** for a utility shed at the former District Office. As part of Phase One work for the 2025 capital project, the former District Office near Farnsworth Middle School will be demolished. This utility shed will provide utility hook up access on the site.
