

Below is a list of supplies that your child will need for sixth grade classes on the **HIAWATHA 6B Team**. **Please be sure that your child's name and homeroom are written on each of the supplies.** The school supplies listed below should be brought to school on the first full day at FMS, September 8th. A book bag should be used to carry items to and from school. It is okay if it takes a couple of days to get all supplies to school...no need to overload bags!

Please let us know of any supply hardships so we may be of assistance. We do have extra supplies if needed.
