

Summer 2026

Dear 6C Families,

Welcome to FMS and **Mohawk House Team 6C** for the 2026-2027 school year! This year, the team teachers are Christina Rowland (Math/Science), Lisa Youmans (ELA/Social Studies), and Julie Bruno (Consultant Teacher). Mrs. Youmans and Mrs. Rowland are entering their second year of teaching at FMS and are excited to continue growing and learning alongside their students. Mrs. Bruno has been a consultant teacher at FMS for many years. Together, we are looking forward to making this a successful and memorable school year!

We are excited to meet you, learn with you, and make your 6th-grade year a great one! Sixth grade is such a wonderful year, and we know you will enjoy all the opportunities that FMS has to offer.

We have included a list of supplies (below) that we would like students to have at school. **Please bring all supplies to school by Wednesday, September 9th.** Students are welcome to bring some supplies on Tuesday and the rest on Wednesday to make backpacks easier to carry.

Parents, we would love to hear from you! Please complete this [form](#) to tell us more about your child.

We look forward to meeting you in September. Enjoy these last weeks of summer!

Sincerely,

Mrs. Rowland (Math/Science Teacher)

Mrs. Youmans (Language Arts/Social Studies Teacher)

Mrs. Bruno (Consultant Teacher)

Mohawk 6C- Rowland/ Youmans' Team Supplies
