

MOHAWK 7 2026-2027

Dear Parents,

Summer 2026

We are looking forward to working with your child this year. As part of the Mohawk team, we are hoping that your child will find this school year successful, challenging, and enjoyable. As the end of August approaches and those "Back to School" ads appear, we would like to suggest the following items listed below.

HOMEROOM

1. Tissue Boxes (2)

ALL CORE CLASSES

1. #2 Pencils
2. Homework Folder
3. Earbuds/Headphones (will be shared with other classes)
 - These will need to be replaced during the year if they are lost or broken.
 - We suggest no airpods or bluetooth, but getting a regular plug in pair to keep in a ziplock bag that they can take out for **EACH** class.

MATH

1. 3-ring binder, 2 inch
2. Tab dividers (pack of 5)
3. TI-30X IIS Scientific Calculator

Sincerely,

Jamie Mullins (Social Studies)
Joseph Winchester (Science)
Taylor Roscoe (Math)
Heather Tagliaferro (Language Arts)
Mike Kramek (LA/SS Co-Teacher)
Amanda Capossela (Math/Sci Co-Teacher)
