

Dear Tawasentha 7 Families,

Welcome to Tawasentha 7C! We are excited to meet all of our new and returning students and look forward to a fantastic school year together.

To help your child start the year prepared and organized, we have compiled a list of required school supplies. If you need assistance obtaining any of these materials, please contact the House Office or one of the team teachers listed below.

Please label all supplies clearly with your student's name, including folders, notebooks, highlighters, and other personal items. Students are welcome to use any leftover supplies from previous years that are still in good condition.

Students will also need **two combination locks**. Please have your child practice opening their locks and memorize the combinations **before the first day of school** to ensure a smooth start to the year.

All returning 7th-grade students were issued a Chromebook at the beginning of last school year and are expected to bring the same device back to school in September. Please make sure the Chromebook is fully charged for the first day.

We look forward to welcoming everyone back in September and beginning a successful school year together!

Sincerely,

The Tawasentha 7C Team
